Mary Jane Mikula

Mary Jane,

I don't quite know where to start — I guess the beginning would be a good place. We've come a long way since the 6th Grade when we first met. That year I always wanted to be one of your best friends but you were always with Kim. There have been more than one time when I've been jealous of your friendship with Kim. You're always been the center person in our little circle and I always have been selfish because I wanted to be your bestest friend. Well, last year after that one note (one of the many millions) ~~that~~ I felt that finally we had become really close. I do consider you my bestest friend. We've gone through just about everything together. Good and bad alike, you're been there to cheer me up or cheer me on. Though it was a nightmare, never forget Physics and Mr. Stambaugh. We've always been jinxed by never getting many classes together. Maybe it's for the better. I mean look at our physics grades from being in the same class. I guess you'll be getting plenty B letters this year. Right now I want to thank you for always being there when I've been depressed and funny as it may be we've never depressed together. But I guess we just needed the other to be a shoulder to cry on. Remember the other night when I had to go through last year or all of the other years and I'm crying. Like you I don't think I'll ever be able to forget it. But we plan to go through it together in some way or another. I guess we'll [illegible]

Dear Jane,

You're one of the best all-around people I know! I'd like to say now, thanks! for being such a good friend. You've really helped me over some bumps! I'd like to tell you, also, you can always count on me if you have a problem.

Well, Good Luck and God bless, always.

P.S. - sorry this is a little sloppy, but . . .

owned to end up in the pits. I guess you know what it's like. I'm talking about. Others will come and go, but you and I will always be there for one another. And I'll hope we have a musical this year. I can excel at either & he enjoy it do to hope & pray that Mr. Sando will for always bring him to listen to anything I had to say. I'm not the social person to get along with and I envy you that's why we get along so well. I men if you look at it — we're hardly ever gotten mad at each other. We have so much in common yet we're different enough that we don't clash. Thanks for always being here with me. It really helps. Well, we'll still get two years together and who knows what will happen afterward. Whatever, good luck in anything you ever attempt. Keep your head up high and don't let life's pitfalls get you down. Remember I'm always here to listen. Be good.

Love always,

Julie

DEDICATION: MISS MARY JANE SNYDER

This lady that gives so much
Not expecting anything in return
Is the one this space is to honor.
All those who know her, respect her –
All those who don't, missed out
On an opportunity to meet a special lady.

She'll talk to anyone who listens
Or listen to anyone who talks.
In health class she's long winded –
In gym class she expects the mile to be run, not walked.
As a coach, she demands the best.
Get to know her, and you'll never regret it.

There's a special glow about her
That people love to be around.
A teenager in heart and mind
There's always a sparkle in her eyes
And a smile on her face.
She loves the simple things in life.

This special person to many
Will be missed by our senior class
Not only a teacher
Not only a coach –
But a friend:
Miss Snyder is the best!

I always wanted to be somebody. If I made it, it's half because I was game enough to take a lot of punishment along the way and half because there were a lot of people who cared enough to help me.

So many faces in and out of m
Some will last, some will just be
and then.
Life is a series of hellos and good byes
I'm afraid it's time for good bye again.
– Billy Joel –

A smile is the same in every language.

We can make it happen
We can change the world now
We can save the children
We can make it better
WE CAN MAKE IT HAPPEN!

Life is like an onion; you peel it off a layer at a time, and sometimes you cry.

Seniors of '79,

The 1978-79 school year was a memorable one for all of us. Remember how **WE** worked together to get the float finished, the assembly underway, and the Senior Party set. None of this could have ever happened if **WE** hadn't worked as a team of dedicated workers and constructive thinkers.

I'm proud to have been chosen president of our class because this has given me more time to get to know you better both as a group and individually. The other officers and I have tried to serve you to the best of our abilities. I hope that you have found our leadership satisfactory. We have found you to be more than ready, willing, and able to help out whenever you were called upon.

Thank you for your time and cooperation. May you find peace and fulfillment in your lives ahead. THANK YOU!

Yours truly,

The Spring Grove Harriers would probably have won their second state championship if they had gone undefeated this year. The Rocket runners lost only to champion West York, while they convincingly defeated all other county opponents.

Post season competition saw the Spring Grove team finish second in the prestigious Hereford Invitational. The team missed third place and a trip to the State Championships by just one point.

The team will be losing quite a few dedicated runners this year to graduation. They are Scott Ott, John Miller, Bryan Motter, and Mike Reever.

The varsity and junior varsity field hockey teams displayed much talent finishing the season with records of 9-5 and 8-3-1 respectively. An experienced offense and hard-working defense brought the varsity to a very successful outcome.

Varsity captain, Claudia Tweardy, added spirit to the team with her enthusiastic leadership. Claudia also started varsity for three years and leads the team in goals scored, followed closely by Pam Harleman. Together they have a combined, three-year total of 44 goals. Another outstanding player to be recognized is Cindy Baugher. Cindy started varsity four years, a first for any Spring Grove girl. The rest of the talented seniors that Spring Grove will lose are: Kelly Althouse, forward; Kelly Baker, fullback; Cindy Gilbert, fullback; Sue Hamme, forward; Wendy Klinedinst, fullback; Dawn Shoemaker, goalie; and Sherry Trump, forward.

The 1979-80 season looks promising with six returning varsity players.

The 1978 season was one of the best ever for Spring Grove football. Before the season began, many people felt that the Rocket football team would be hard pressed to compete with the Division I football powers. Such was not the case, as the Rockets, led by an outstanding defense, played on more than even terms with the strong Division I teams. The Rockets were in contention for the championship until the final game of the season.

Overall, the team finished 6-2-2 with a league record of 3-1-2, good enough for second place in Division I. The team beat Dallastown and West York for the first time in many years, and downed league champs Red Lion to celebrate homecoming. The 1978 Rocket team was a competitive and exciting group.

The Rockets had five players named to the all-county team. They were Tim Hemelgarn, Tony Miller, Scott Wakeland, George Wysocki, and Dennis Wood.

The golf team compiled a record of 9 wins and 3 losses, but their record is not an indication of how close the team came to winning its third consecutive county championship.

One individual match being won instead of lost in the three matches that were lost would have given them an undefeated season and championship.

The highlight of the season was John Blecher's third place finish in the PIAA State Golf Tournament held at Hershey. This marked the third straight year that John qualified for the State Tournament. This is the best finish by a Spring Grove golfer in this tournament.

The team was under the direction of Barry D. Black and completed its 13th season of competition in the YCIAA. The overall record for the golf team at Spring Grove is 95-58-1.

The 1978-79 Spring Grove boys' varsity basketball team was a pleasant surprise to those that followed the fortunes of the ROCKETS. With the graduation of eight seniors and four starters from the 1977-78 team, even the most optimistic fans had their doubts. However, the two returning letter winners, both seniors and the team's co-captains, Todd Rohrbaugh and Joe Kopp, provided outstanding leadership and the nucleus around which another fine team was built.

The season featured some thrilling moments as the team scored numerous close victories, including overtime wins against West York and Hanover. The squad posted an impressive league mark of 16 wins against 4 defeats and finished in second place.

The jayvee basketball team had an outstanding season as they posted a record of 18-4. A thrilling overtime victory ended the season and assured the team a tie for the Western Division Championship.

This year's girls basketball team slogan was "Work Together – Win Together." The girls did just that as they improved their record to 11 wins and 11 losses. Highlights of the season included an exciting one-point victory over Red Lion, a frightening double-overtime victory over York High on York's court, and Dawn Shoemaker, winning the York County Foul-Shooting Contest.

Next year's season is destined to be a good one. Returning are junior high-scorers, Ginny Bortner and Dee Greenplate. Also returning are Linda Becker and Sophomore Sue Barshinger.

This year's Rocket baseball team wrapped up the season with a record 7 wins and 8 losses. The Rockets had two players named to the all county team – Tom Uffelman and Tyke Duncan. Uffelman and Duncan had batting averages of .481 and .370 respectively. While Kevin Breeden led the team in R.B.I's, Uffelman and Neal Carl scored the most runs. Uffelman also had the second highest average in the school's history. The team had a good season, and is looking forward to an even better one next year.

1979 was the best year for volleyball at Spring Grove as the Rockettes won the District III volleyball championship for the second straight year, and they won the YCIAA volleyball championship. Much of the credit goes to the devoted senior members of the team who set fine examples of desire, determination, and discipline. Dawn Shoemaker and Claudia Tweardy provided outstanding leadership as they completed three straight years of varsity action. Many fond memories will be held in our hearts as we reminisce about the 1979 squad. Thanks to all for the most successful season of volleyball.

A muggy Friday evening set the scene for a court of seven girls that made up the 1979 Homecoming Court. As they were escorted out onto the field, their warm smiles made everyone forget the rain . . . the girls' spirit led the football team to a 7-6 victory over Red Lion. Although it was wet, sticky, and slippery, the girls and the team shone through.

The soft lights and gowns, along with the group "Fly By Night," made the dance a success. Memories will be cherished of the weeks the girls spent preparing for parades, dances, etc . . . It all has drawn them closer to the student body in many ways – And they will cherish each moment with pride.

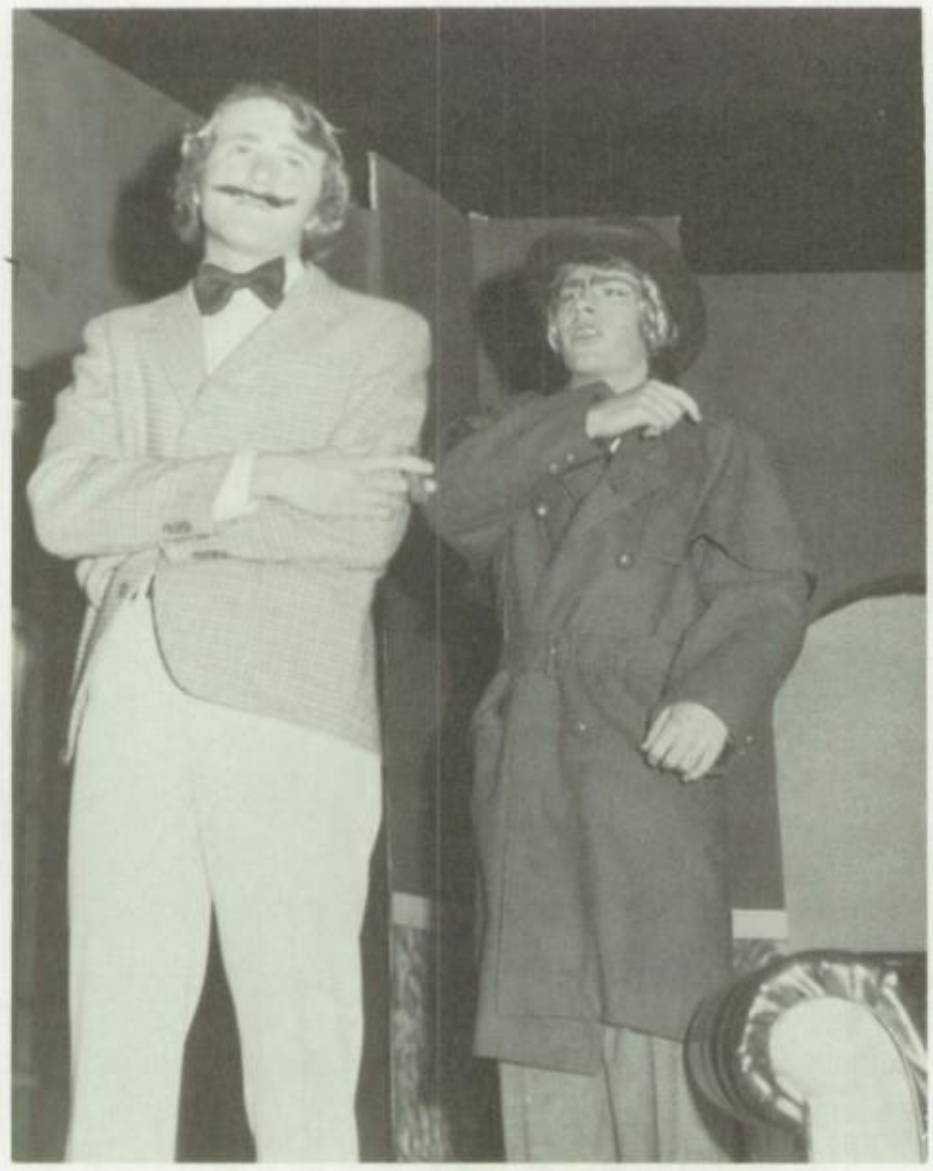
DON'T DRINK THE WATER



— Don't Drink The Water —

Well, looks like we made it!
Rehearsals were uniqueness in themselves.
Through the tears and the arguments we
made a success.
As one actor put it, "We went through a heck
of a lot of pain and sorrow very seldom
felt beyond the darkness of a stage."
But we went through it together
Our family was divided
There was tension between actors
as well as directors
There were differences
There were nasty notes
There were late night rehearsals
But we survived.

We made something to be proud of.
The shows were special dreams.
Everyone worked and worked their
tails off!
We tied the loose ends together and
made it through Friday's
show.
Then came Saturday's show in all
its wonder
The make-up was applied,
The hair was sprayed.
You could feel the silent tension
and excitement like a heavy cloud.
The music began.
We went out not with our "Silver Bells"
but singing.
We were great.

On December 1 and 2, the SGHS Players presented their second annual three-act production, a rendition of Woody Allen's **Don't Drink the Water.** Our hilarious cast was headed by Spurgeon Welsh, Wendy Brenneman, Gretchen Bowersox and Ron Ray, with David Wood, Scott Geesey, Steve Gates, Tammy Potts, George Wysocki, Linda Hamme, Phil Shepp, Jeanie Wood, Brian Nace, Dave Luckenbaugh and Bill Sowers assisting in their hilarity. Mrs. Betty Ann Lasley and Mr. Jack Shue acted as faculty advisors. The show proved a tremendous success, attended by "record crowds" and Butterscotch, the rabbit.

After months of hard work, a group of Spring Grove students put on an excellent rendition of **The King and I.** Jeanie Wood played the part of Anna, an English school teacher, while Spurgeon Welsh played the part of the strong-willed king. Costumes and sets were rented from Boston to give the musical a "Broadway-like" effect. **The King and I** was well-done and well-liked by all who had the opportunity to attend.

NATIONAL HONOR SOCIETY

The Excalibur Chapter of the National Honor Society held its annual induction ceremony on February 23, 1979. The ceremony was held in the high school auditorium and was attended by the student body, faculty members, and the parents of the new inductees. Following an organ prelude by Ron Day and opening exercises by Mr. Noll, Cindy Gilbert presented the welcome address. Student speakers for the ceremony were Jeanie Wood and Greg Andrews. Claudia Tweardy announced the new inductees, and Dr. Paul Johnson introduced guest speaker, Dr. Nancy Stankus. Following the ceremony a tea was held in the school cafeteria for all National Honor Society members and the parents of the new inductees.

JUNIOR – SENIOR PROM 1979

"Precious Reflections" was the theme of this year's Junior-Senior Prom held at the Student Center at York College of Pennsylvania on May 26th. The David Winter Band provided renditions of tunes by musicians including Billy Joel, Chicago and Barry Manilow. The highlight of the evening was the introduction of the prom court and the crowning of Miss Barbara Storm as Queen. Other members of the court were: Gretchen Bowersox, Linda Durst, Rose Edris, Lisa Grim, Peggy Rabinstine and Claudia Tweardy. It was a beautiful evening for all who attended.

The Forge Staff extends its apologies to the prom court for missing a group picture due to a camera malfunction.

June 1, 1979. The day all members of the class of '79 had been waiting for. At 7:00 p.m., the senior class proudly donned their caps and gowns and marched onto the football field in spite of the slight spattering of rain; but the luck of '79 held out as the evening sun broke through the clouds to insure a wonderful ceremony.

After an invocation by Pastor Ruby, senior class president, John Klinedinst, gave the welcome address. Following John, Greg Andrews spoke on "Making a Contribution; Cindy Gilbert on "Taking a Good Look; and Jeannie Wood on "Being Yourself." Mr. Noll presented the senior class, and Dr. Paul Johnson introduced Mr. Horace Uffelman, president of the school board. Diplomas and scholarships were then awarded, the Alma Mater sung, caps hurled into the air, and tears shed. Commencement ... certainly a day for all of us to treasure.

How fast they fly, the happy times when friends are together.
– V. H. –

No love, no friendship, can ever cross our path without affecting us in some way, forever.

I'd be ready for life; If at any moment I could sacrifice what I am for what I could become.

Tackle each day as it comes, hope for a touchdown, and dream for the extra point.

Well, it looks like we finally did it. After countless retyped copy-sheets and redrawn lay-out sheets, not to mention the endless hours spent during free periods and after school, the yearbook staff takes pleasure in presenting with pride the twenty-ninth edition of **The Forge.** There were days when we weren't sure we would be able to pull it off – deadlines seemed to sneak up on us – but we always seemed to manage. Thank you, Mrs. Grim, for all of your help. Sorry we caused you the worry – but we told you we could do it!

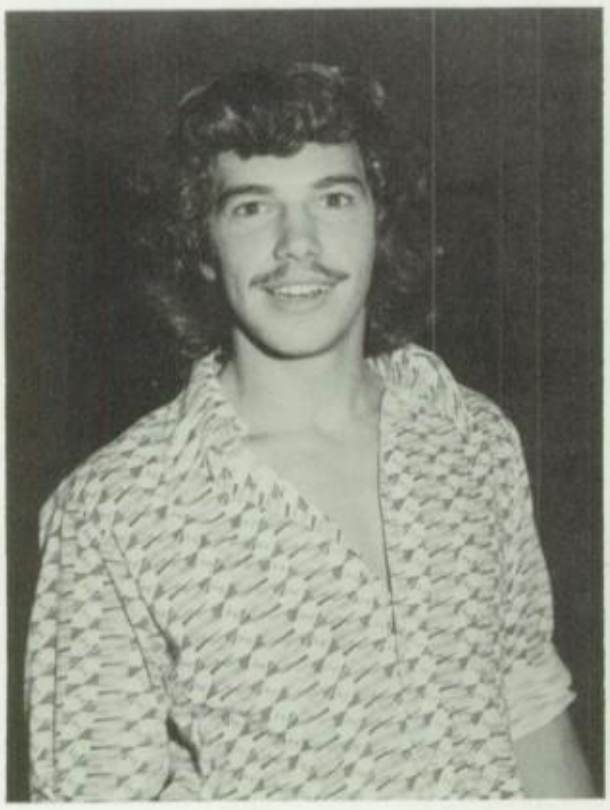
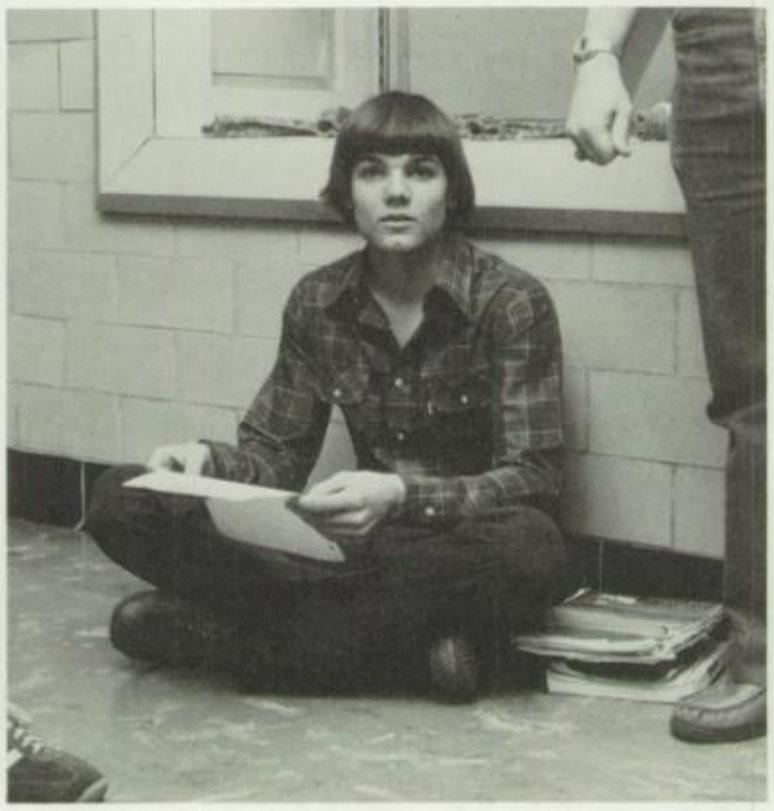
Teri, where's that picture?
I don't know Cin, you had it a minute ago.
I know, but I turned my back on it for a second to find the swimming picture.
Here it is – you were standing on it.
Arrgh!

Mrs. Grim, a photographer's coming to take club pictures.
May we have a pass to get out of Mr. Breighner's class to help him? (We can always make up the test later . . .)





WITH NEVER A GREATER NEED FOR ALERT AND WELL-PREPARED CITIZENS, AMERICA LOOKS TO YOU, OUR 1979 GRADUATES, TO SHAPE THE FUTURE. TO YOU, THEN, WHO ARE ABOUT TO ACCEPT THIS CHALLENGE, CONGRATULATIONS AND GOOD LUCK!

GLATFELTER PAPERS HAVE SERVED THE FINE printing, publishing and converting requirements of this country since 1864. ¶ It was the beginning of the Golden Age of American literature when Philip H. Glatfelter built the original mill in Pennsylvania which has descended – and ascended through three generations of a great paper- making family. ¶ The mill's first paper was used in the printing of handbills supporting Lincoln's re-election. This was the day, too, of Hawthorne, Melville, Emerson and Thoreau – of Whitman, Longfellow, Holmes and the young Mark Twain. It was inevitable that the Company's papers should soon be sought in the world of letters and fine printing. ¶ At Glatfelter's beginning, the rotary printing press was a new invention. But the typewriter, Linotype machine, photo engraving, the telephone, photographic paper, the transcontinental telegraph – all were still to come. Modern concepts in communication were being born. ¶ Today, Glatfelter papers supply needs in business communication, printing, publishing and converting through the most modern specialized facilities in the country.

Mary Jane,

To one of my very special friends who always has a listening ear and also understanding. May I always be there when you need someone to confide in because I sure wouldn't know what to do without you. You have always helped me get my problems out of my system and I hope I can always do the same for you. Never forget our times together starting in 5th grade and still lasting today and hopefully for many years to came. May you always try to reach the top rung of your dreams and one day they'll all come true. I wish you the best success in everything you strive to do in all the years of this precious life.

Much love always,
Alison

Mary Jane
To a really nice & crazy girl for cool friends. Future I've known for a while. Stay out of trouble. P.S. I'm special but stay out of the B.V.F.A. good luck in that "So" 22 and with Barb The Best someone.

Mary Jane, Hope your 11th year at Mayfield is as wonderful as the last ten. Stay the same Mary Jane and remember all the good times we've had. Love ya, Stacy (zip)

Mary Jane,

Mary Jane,

I've known you as a friend since eighth grad
and it has been a friendship that I will alway
cherish and I hope it will last for a long
time to come. We made it through the bad time
as well as the good in our sophomore year and
I'm glad we came through it together as friends.
Never forget the play "The King and I" and all
those frustrating, but fun practices that went alon
with it. Try to forget all the bad things that
happened and just remember the good, like how
it all seemed to fall into place right at the las
minute (etc., etc., etc.) I'll always remember our Mon
treal trip and all the crazy things that happene
like getting lost or ordering out for pizza. I'll
also never forget our shopping sprees and our library
incident (in York), the frustrating and tiring Band
Camps, our "great" football games and frightening
competitions, the trials of Physics, and Miss Tra
(Quacko's) classes. But all together it wasn't all
that bad. I hope our junoir year is even better.
Always remember, if you ever need a shoulder to
cry on or a friend to laugh with I'll always
be there.

A friend forever

Love,

Donna

Mary Jane,

To a really nice girl who is a good friend. I hope we stay friends and become even better friends. Remember all the fun we've had, and all the things we've talked about. I hope we share many more experiences together, and that is very likely to happen as long as we are in band together. "Good Luck" in the future. May you live a long life and live it to the fullest.

Love
Shari

Mary Jane,

I guess I can't write a book but anyway—
all
Remember of the strange (but fun) things we
did in jr.-sr. high including P.R.S. (Remember
that?!) all of those lunches, band camp etc., etc.
(Including some of your "favorite" people!)

Good Luck in your future education!

Your friend, Carol

Mary Jane,
To one of the best mooretto's ever: (Also with the other one is?)
We've been in mooretto together since 8th grade + I have really enjoyed it. It seems about the only thing we really have in common is wasting our bottno so most people all the stupid things we are and to go through together. One thing I'm sure neither of us will forget was mooretto camp and also the time you had the funniest thing in the world. Paraded in 8th grade. I think that was the funniest thing in the world. I hope you continue with your career as "rotter" + then out of high school because you really are super. Good luck in anything you do but please don't grab bottno out of other girls pants!!

Love ya,
Carol

P.S. I'll never forget ya.
Be!!
P.V.V.V.V.G.F.A.

Our junior year - since second grade we've been friends, and our friendship has created many memories. We've confided in eachother, gone to movies, and gone shopping, suffered through band camps, stood the frustrations of physics class, endured the Valentine Dance (which turned out pretty good) and have <u>both</u> known the heartache of caring for the same person. I'd say all in all it's been a great friendship - and I hope this year will bring us even closer. Never forget Montreal, and also all the letters we've written to eachother over summer. I wish you more than "good luck" in the future, and remember that I'm always here, no matter what happens....

a true friend always,
Kim.

Mary Jane,

You one of the sweetest people I know I can't say that I know you very well but you still special in my heart. I hope I can always be of some help to you and I'll always support you if I can. Take care.

Love ya
Lori

Mary Jane Here we are ready to start another year, whether we like it or not. I'm afraid to say it we be our last year together at SGHS + I hope + pray it will be the best. I'm going to cherish this last year + you with all my heart. Some times I've look at you as a little sister, sometimes as an older sister, but I've always tried to look at you as an equal. Another kid, just as terrified as I am about growing up in this screwed up world. We've been through a lot in these past nine years, More than some people go through in a lifetime. We've had ups + Downs, good times, bad times, shaky in-betcew times, + even a few small boring times, you know, the Friday nights + green stamps. This book is a reminder of all our past loves, laughs, + cries. I hope this year will be twice as full of adventures + events than all our nine years put together. Maybe that's asking a little too much cause God knows all we've been through in these nine years we wouldn't be able to take twice as much as that in one year. all in all I hope this year we be unforgettable for both of us.

Always + forever
love,
Nora

Emmy,
You're a really

that you were
